

April Land Committee Brief

April 22nd, 2022

Core principles to keep in mind:

- The central tree will be a White Pine (approved by Councillor Fawn Sault)
- City is providing 70 trees which are currently being planted

Next Steps:

- Create a one-page explainer (that can be posted to the website, but also distributed that day) that includes an image and description of the trees you selected. Include a line explaining the reason why you selected a particular species. Special attention should be paid toward the White Pine (please mention that it is being donated by the Prince's Trust Canada).
 - Include on the sheet the specific article[s] of the *United Nations Declaration on the Rights of Indigenous Peoples* that planting these trees honours.
 - Is there a passage/quote in *Braiding Sweetgrass* that you could include?

*Final report will be made to Councillor Fawn Sault before being forwarded to the City of Hamilton.
