May 6, 2013

The first day in May saw the Waterdown District High School boys' rugby club travel to Olympic Park in Hamilton to play MacNab High School.

Despite heroic play by Colin Hayes, Cody Laidlaw and Matt Pawalke, the boys were defeated 12-0.

The much honoured BOA was awarded by captain Matt Boag to Evan Cook for outstanding play.

On May 6, the club met Saltfleet SS on the pitch.

TOUGH COMPETITOR

Saltfleet Rugby continues to dominate the high school league, and the Waterdown boys entered a difficult match.

Eddie Enriquez shone during this game, earning the respect of his team. Other highlights included Brad McCormack's heroic push, as well as Cook's unbending stamina.

The BOA was awarded, with much applause, to McCormack.

The match ended in a 40-0 defeat for Waterdown. The final score against Saltfleet, according to coaches, does not truly reflect how much effort the team put into the match.

THANK YOU

Members of the team thank their head coach, Monty Head, and assistant coach, Mike Dougherty, for their dedication to the team.

The Waterdown District High School rugby club was scheduled to face off against Glendale on May 8.
