Waterdown District High School history teacher and rugby coach Nathan Tidridge announces the presentation of Jubilee pins to the boys' rugby team during an assembly at the school.

Players and coaches of the WDHS Junior and Senior Boy's rugby teams were presented with Diamond Jubilee commemorative pins during a special assembly at the school on Thursday, May 10.

The pins were a personal gift from The Honourable David C. Onley, Lieutenant Governor of Ontario.

The teams were awarded the pins based on the team being comprised of "true gentlemen" who are community minded and have forged a strong bond, noted coach Nathan Tidridge.

Michelle Visca, Principal of WDHS, along with Mr. Tidridge, presented to the pins to the students and coaches on behalf of His Honour.
