

**Your Final Research Paper will require you to use Google Docs – every student in the Hamilton-Wentworth District School Board has a Google account (see the WDHS Learning Commons if you do not know your login).**

Your Thesis Statement needs to be completed by November 13<sup>th</sup>, 2015. You are asked to write your statement using Google Docs, sharing it with Mr. Tidridge ([ntidridg@hwdsb.on.ca](mailto:ntidridg@hwdsb.on.ca)) – make sure to give him permission to comment on your work.

You also have the option to complete your research paper using Google Docs (sharing & allowing Mr. Tidridge to comment on your work). This option will allow Mr. Tidridge to monitor your work, as well as comment on the development of your paper before the final due date.

A screenshot of the Google Docs "Share with others" dialog box. The title "Share with others" is on the left, and "Get shareable link" with a link icon is on the right. Under the heading "People", there is a search bar containing "Nathan Tidridge" with a close button (x) and a button "Add more people...". To the right of the search bar is a dropdown menu showing "Can comment" with a downward arrow. Below the search bar is a text area labeled "Add a note". At the bottom left are two buttons: "Send" (blue) and "Cancel" (grey). At the bottom right is the word "Advanced" in a smaller font.
