

## Lions Club Lookout Committee Brief

February 25<sup>th</sup>, 2022

---

\*Created for students by Elder Eugene Kahgee and Nathan Tidridge

### Core principles to keep in mind:

- The Lions Club must approval final design of the Lions Club Lookout
- Signage should be installed that educates local residents about A) The Treaty Territory that Flamborough is located in AND B) The Treaties we are part of by virtue of living in Flamborough/Waterdown
- The final design, including text, must be approved by the Giima and Council of the Mississaugas of the Credit. (Consult Monument Stone created for Souharissen Natural Area, as well as template included with this brief).

\*A successful application was made to the [Platinum Jubilee Grant](#) by the Waterdown Rotary Club to fund this stone. This gives the Treaty Forest Project a \$4000.00 budget.

### Questions to answer:

What treaties are part of this land?

Are there maps that the Mississaugas can provide? Do we have their permission to use them?

What specific article[s] of the *United Nations Declaration on the Rights of Indigenous Peoples* does your committee's work fall under?

### Research: (Where to start)

The website of the Mississaugas of the Credit First Nation ([www.mncfn.ca](http://www.mncfn.ca))

### Other contacts:

\*Final report will be made to Lions Club of Waterdown, as well as Giima and Council before being completed.
