

Living in a Suburb

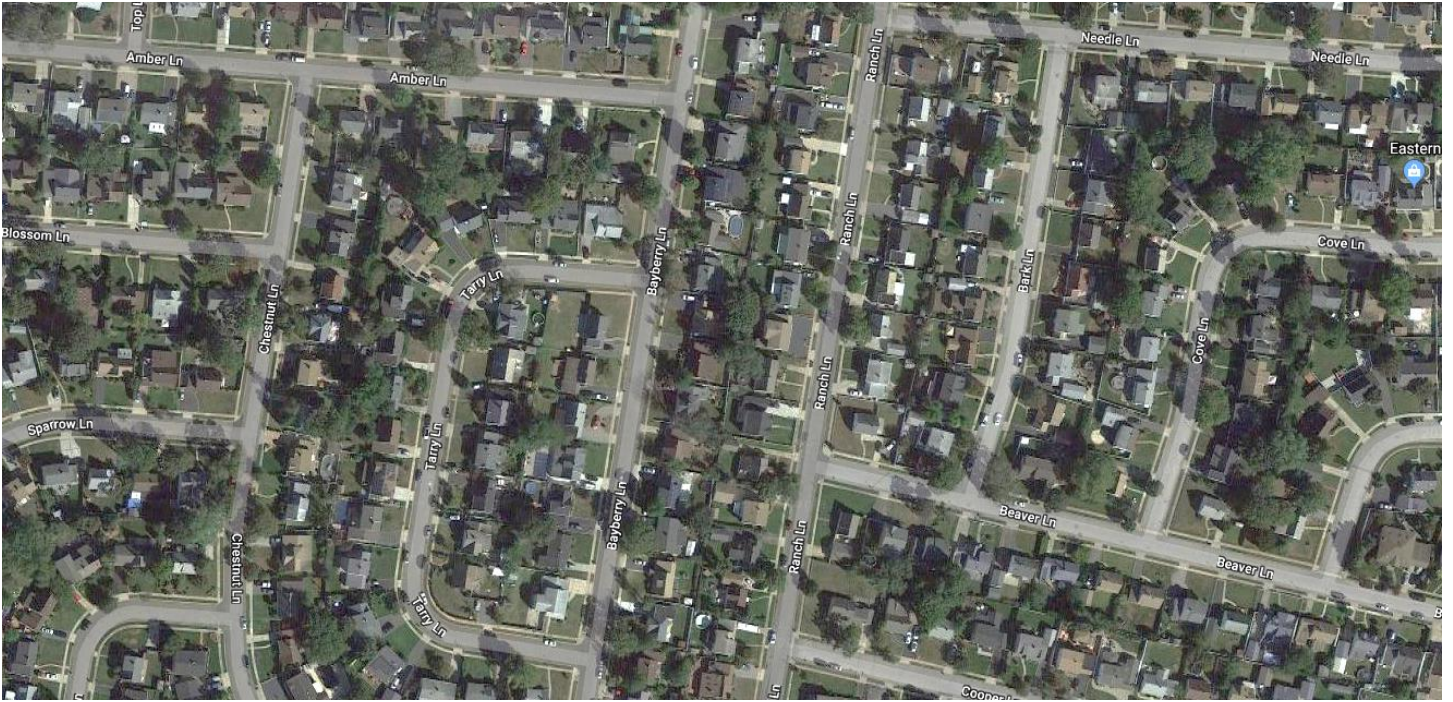

Figure 1. Levittown, New York, ca. 2018

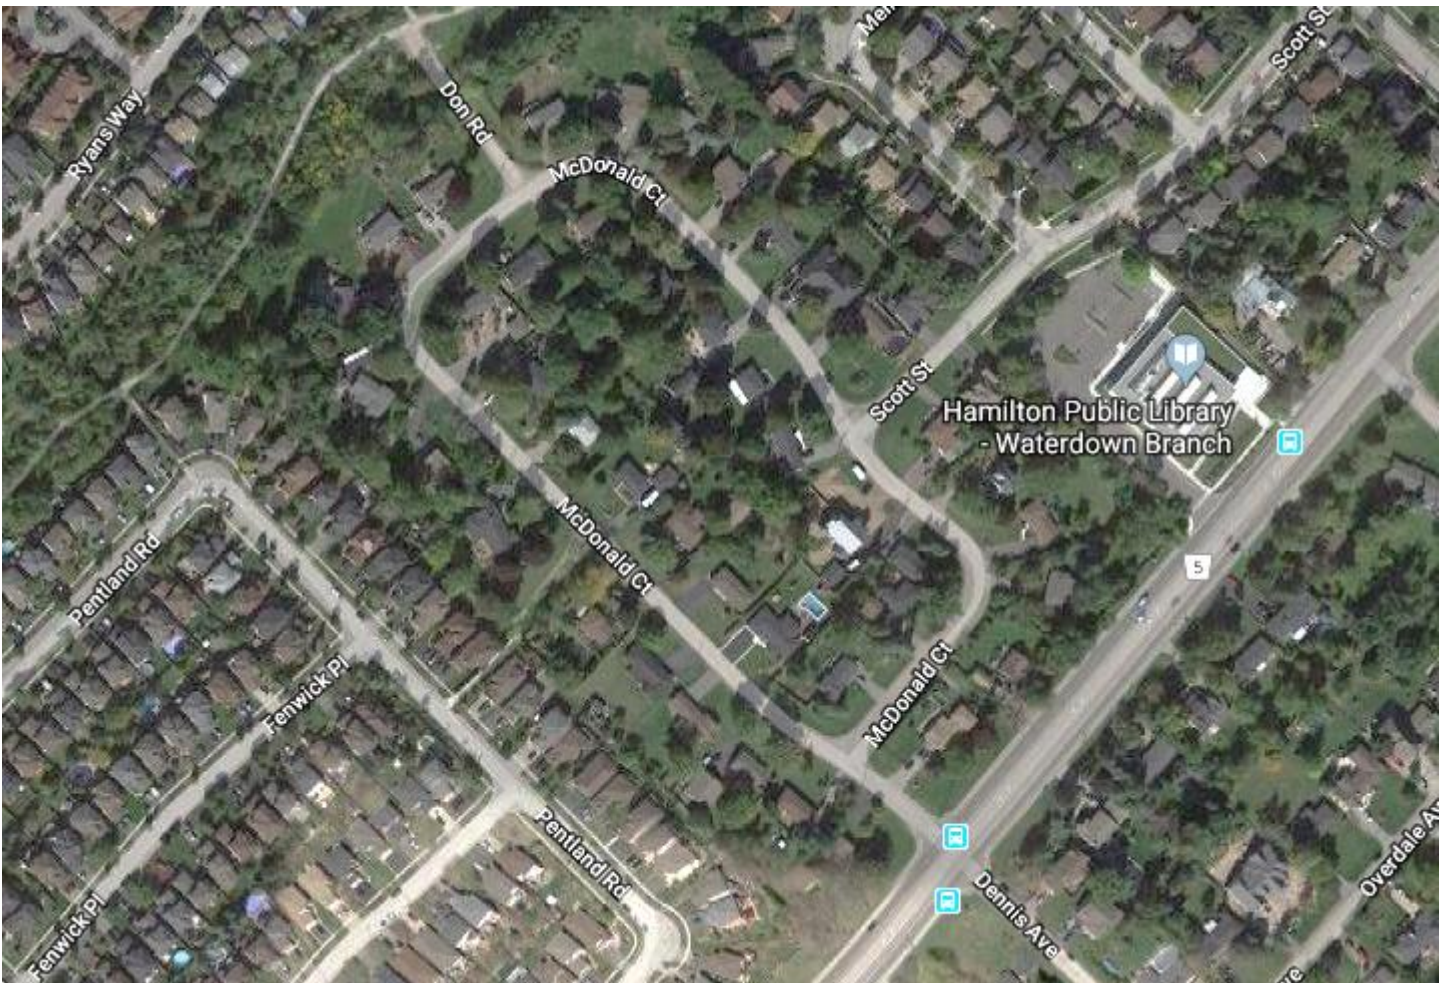

Figure 2. Waterdown's "first suburb" - McDonald Court

Question: How has being raised in a suburb influenced your view of mainstream Canadian society? How has raising generations of Canadians in suburbs impacted Canadian society?

How have the suburbs changed? How do these changes reflect changing values in Canadian society?

What does a place like Celebration, Florida, tell us about “mainstream US (and Canada)”?
