

## Monument/Signage Committee Brief

March 21<sup>st</sup>, 2022

---

### Core principles to keep in mind:

- The name of the space is “The Platinum Jubilee Treaty Garden”
- The stone should provide a teaching to Waterdown/Flamborough residents about the Treaties they are part of
- A permanent display of the [Moccasin Identifier Project](#)
- The final design, including text, must be approved by the Giima and Council of the Mississaugas of the Credit. (Consult Monument Stone created for Souharissen Natural Area, as well as template included with this brief).

\*A successful application was made to the [Platinum Jubilee Grant](#) by the Waterdown Rotary Club to fund this stone. This gives the Treaty Forest Project a \$4000.00 budget.

### Questions to answer:

What treaties are part of this land?

What specific article[s] of the *United Nations Declaration on the Rights of Indigenous Peoples* does your committee’s work fall under?

What teachings does Elder Garry want included?
