

Recreating the Feudal System in Room 2048

- Each table group will become an estate.
- One member of the group will be the Lord/Lady of the Estate (gets to live in the “big house”). The Lord/Lady owes fealty to the King (Tidridge), but is charged with managing his/her estate.
- The remaining group members live on the estate, working the land.
 - A percentage of what you grow and harvest is owed to the Lord/Lady as rent. Either goods, or money, is accepted.
 - The Lord/Lady must provide a church, school, hospital and such for the community.

Discuss in your groups what life would look like, as well as what sort of relationships would exist, in your estate:
