Dear Mr. Tidridge:

Re: Monument Stone

In your letter of June 18th, 2014 and presentation to Council on June 23, 2014; you requested the MNCFN Council endorsement and support for the "monument stone to be placed in the Natural Area that will include a map and the Aboriginal history of the region". The Natural Area having been set aside in Waterdown :

To educate the community that the Waterdown-Flamboro Region has been home to Aboriginal Peoples for thousands of years, and the Waterdown South site specifically had 104 First Nation's sites located within it.

The Mississaugas of the New Credit First Nation are pleased to provide this letter of endorsement and support of this project that shall surely help to educate the residents and visitors to Flamborough with respect to the traditional territory of the Mississaugas of the New Credit First Nation.

In Unity
